Response to Notice of Fee Deficiency

This paper is in response to the Office Communication in the United States Designated/Elected Office, dated November 20, 2006. In the Notice of Fee Deficiency indicated that the Applicant had not submitted the required fee of \$100.00 due for presentation of excess claims (37 CFR 1.16(b) & (c)).

Also, Applicant hereby encloses a copy of the Transmittal Form PTO/SB/21 which was submitted with the amendment on November 2, 2006, which was printed off of the private PAIR system on the USPTO website. As indicated on the Fee Transmittal under the remarks section, Applicant authorized the following:

Authorization to charge the fee and any additional fees as necessary or credit any overpayments to Deposit Account 23-0155 is hereby given.

Applicant hereby states that all fees due at the time of responding were authorized for payment to Deposit Account 23-0455 and that the November 2, 2006 reply was fully responsive to the Office action dated October 2, 2006. Applicant believes the reply

12/08/2006 SSESHE1 00000002 230455 10743109
01 FC:2201 100.00 DA

should have been entered on November 2, 2006 as fully responsive and that this delay should not adversely impact Patent Term Adjustment ("PTA"). In the event that Applicant is mistaken, authorization is hereby given to charge all fees due for the presentation of excess claims (37 CFR 1.16(b) & (c)) as enumerated in the Notice of Fee Deficiency to Deposit Account 23-0455.

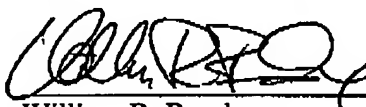

As a result, Applicant now submits that the requirements of a submission of the reply on November 2, 2006 to the Office Communication dated October 2, 2006 has been satisfied, and that all fees due have now been paid.

Authorization is further given to charge any fee, which may be required, or credit any overpayment, to Deposit Account 23-0455.

Applicant respectfully requests examination of the application on the merits.

Respectfully submitted,

Dated: December 7, 2006
